LEADERSHIP CAMPS

Leadership Camps are opportunities for administrators and teachers to participate in two days of facilitated conversation around continuous improvement using practical wisdom about evaluation processes and special education. Current Leadership Camps are scheduling for evaluation (1.2) and special education (1.3). (Lunch is included both days.) These courses are currently offered for free due to grant funding. **

LEADERSHIP COACHING

Leadership Coaching provides individual support for administrators who are former UNI students or have attended a Leadership Camp. Leadership coaching facilitates a strategic plan for self-improvement by setting goals, and working on what matters most to you. We are available to visit you on site or through Zoom to provide monthly support to move your district forward.

THINK TANKS

Think Tanks provide an opportunity to focus on a specific problem you are facing away from the distractions of your district. We can connect you with experts in the field for this 1 hour program based on the needs of your group. (A networking lunch is also included.)

SCHOOL BOARD DIALOGUES

School Board Dialogues are an opportunity for school boards to discuss the Iowa State Standards for School Boards, specifically Standard 4: Ethics. Great workshop for boards with new members. (Snacks provided)

COST

These opportunities are currently funded by a grant and therefore are of no cost to school districts.

** Leadership Camps can be taken for 1 graduate credit at a discounted rate of \$75.
