Stanley & Norma Reeves Quasi-Endowed Scholarship

Background
This scholarship provides $1000 awards to be used for educational expenses. The funds for the award have been provided as a tribute to Stanley Butler Reeves in recognition of his many years of service to the education profession, especially to reading instruction.

Qualifications
• MAE Literacy student
• Determined by Reading Faculty Committee

Scholarships are to be awarded for the 2020-2021 academic year to students enrolled in the MAE program in Literacy Education who have demonstrated exceptional performance in coursework, educational activities, and who have financial need. Students currently enrolled in the MAE Literacy Program, as well as pending applicants, are strongly encouraged to apply.

The scholarship is offered annually, and it is not automatically renewed each year. The former applicants need to reapply each year that it is offered. This allows for later applicants to be considered and provides support to a larger spread of students.

Application Instructions

Students need to provide the following materials within their application:

1. A cover letter in support of your eligibility for the scholarship that includes an overview of your professional background and experience, educational activities, and a clear statement regarding financial need. Address your letter to the Reeves Scholarship Committee.

2. A copy of your Academic Requirements obtained from MYUNIVERSE/STUDENT CENTER.

3. One letter of recommendation highlighting your academic strengths from a faculty member outside of the MAE Literacy Education Program or from an educator who is familiar with your
academic work. This letter may accompany the application material and does not need to be mailed separately by the author.
