It’s UNI Panther Gym Kids™ Time at the University of Northern Iowa!

The School of Kinesiology, Allied Health and Human Services will be offering its early childhood movement program (formerly known as UNI Kindergym) for children between the ages of 2 – 5 during the Spring Semester 2018. The program’s schedule will include six (6) Saturdays: January 20th, 27th, February 10th, 17th, 24th, and end on March 3rd. All sessions will be held in Gym 84 of the Wellness/Recreation Center. Each Saturday there will be sessions held from 9:00 to 9:50 AM and from 10:00 to 10:50 AM. The 9:00 session will be mainly for the 4-5 year olds while the 10:00 session will be mainly for the 2-3 year olds. You may park in the lot directly north of the Wellness Center without charge or in the lot across Hudson Road and take the tunnel to the Wellness/Recreation Center, entering through the northeast doors.

Registration fees for the Spring 2018 semester will be $35.00 for the first child per family and $30.00 for each additional child. Enrollment fees include a T-shirt displaying the program’s logo. Please deduct $5 if your child already has a shirt.

A parent or guardian is required to accompany the child during each session. We have found that most children feel more secure when a “familiar face” is nearby and although care is taken in providing a challenging, yet safe environment, the adult is still essential in promoting safe behaviors and activities within this environment. We also request that when circumstances dictate that older siblings must accompany the child, the older child take a passive role during the session so as not to inhibit or endanger the younger children.

Registration for the Spring 2018 UNI Panther Gym Kids™ Program will begin November 27th and continue until all of the registration slots are filled. Registration forms can be sent to Kimberly Hurley, UNI Panther Gym Kids™, 119 WRC, Cedar Falls, IA 50614-0241. Feel free to copy this enrollment form for friends that may be interested. Questions may be directed to Kimberly Hurley. Our Spring 2018 program will have planned physical activity stations that focus on age appropriate movement skills that encourage success in a fun atmosphere. We are excited to offer this hand’s on opportunity to our Cedar Valley area parents, children and university student communities. We look forward to having you join the UNI Panther Gym Kids™ family to share in our fun and excitement.
